v.24.06.2021

The Table Tennis Champions League, hereinafter referred to as “the Event”, shall be organised according to the ETTU Regulations applicable for the Event, i.e. Chapter “J” of the ETTU Handbook.

The following directives provide a supplementary framework to the European Club Competitions Men (ECCM) regulations “J” and must be followed by all participating Table Tennis Champions League (TTCL) Clubs.

A club failing to do this shall be fined by the Club Competition Official and eventually made liable for the payment of all documented and undisputed damages claimed by ETTU, Sportradar or the sponsor(s).

The directives may be reviewed and amended in line with the decisions of the TTCL Management Board and the ETTU Executive Board to reflect updates to the general organisation and planning of the Table Tennis Champions League.

In case of equality in total points for clubs in important positions at the seeding, the most recent result will decide, if equal the result in the previous season, if still equal the result in the season before that. If still equal, a draw by lot will be done.

Limitation* of teams per national Association for TTCL is 4.

In case of 2 clubs qualified for the TTCL with the same management, ETTU can move the lowest ranked of the 2 clubs to the Europe Cup and the vacant position in TTCL may be filled by the next highest ranked club of the seeding, unless the national Association of that club reached already the maximum (4) available places in the TTCL.

The Europe Cup winner from the 2020-2021 season is directly qualified for the Champions League of the 2021-2022 season.

*If the Europe Cup winner club's Association has already reached its quota 4 in Champions League then this Association's quota is 5.

The Europe Cup winner from the 2020-2021 season will be positioned as last team in the seeding before the wild cards' teams in case this team is not positioned higher by the European Club Ranking.

Teams seeded 17-24 can participate in the Champions League but not mandatory i.e. they are not obliged to compete in Champions League group stage 1 and may directly start at Europe Cup group stage 1 (each team seeded 17-24 can decide if start in Champions League or Europe Cup).

If one or more teams seeded 17-24 will not start in the Champions League but in Europe Cup, the next seeded team(s) may take the last positions in the Champions League but the total number of teams for the Champions League and Europe Cup together cannot exceed 36.

2.2 **Wild cards** for up to 2 clubs may be given by ETTU / management board for clubs wishing to join the Champions League but not ranked high enough to reach a Champions League position by seeding.

- show evidence of their playing venue to meet all directive criteria
- show evidence (preferably contract) of their top 3 players who will play ECC
- agree to pay a "buy in" of 10.000 € in addition to the entry fee.

Wild cards in Champions Leagues can only be given if the demanding club's national Association's quota (4) has not been achieved (clubs seeded 1-22 or 23).

These clubs will be seeded number 23 (in case of 1) or numbers 23 and 24 (in case of 2). In case more than 2 clubs ask for a wild card and meet all directive criteria, the clubs with the highest total points of their 3 highest ranked players in the most recent World Rankings will have priority.

Round 2 1v2, 3v4

Round 3 1v4, 2v3

A draw will be made to define which team is team A and which team is team B for each match.

- 5.5 In a group, 2 match points shall be awarded for a win, 1 for a loss and 0 for a loss in a not played or unfinished match, and the ranking order shall be determined primarily by the numbers of match points gained.

- 5.6 If 2 or more teams have gained the same number of match points, their relative positions shall be determined by the results only of matches between them, taking successively the numbers of match points, then the ratio of wins to losses in games and then the ratio of wins to losses in points, as far as it is necessary to determine the ranking order.

- 5.7 If after any step the positions of one or more teams have been determined while others are still equal, the results of matches in which those teams took part shall be excluded from any further calculations needed to resolve the equalities in accordance with the procedure of 5.5 and 5.6.

The Referee shall do the draw by lot after the end of the team matches with at least the team captains present and inform the ETTU without delay.

- 5.9 In the final stage (starting with quarter finals), in case of option A, the winners and the 2nd ranked teams of the groups will play in a single knock-out competition, with quarter-finals, semi-finals and a final, (all home and away matches) to determine the winner of the

5.10 Teams relegated from Champions League to the Europe Cup shall comply also with the Europe Cup directives.

5.11 In the final stage of the competition, (starting with quarter finals), in case of option A, the knock-out competition method consists of 2 clubs playing each other where the loser is immediately eliminated from winning the TTCLM and the winner qualifies to the next round. The 2 clubs play 1 two-legged match - also called "Home and Away" match. In a "Home and Away" match, the winner is the club with more allocated points than the other one.

Allocation of points is as follows:

- a. 3 points for the winner of a 3:0 or 3:1 match,
- b. 2 points for the winner of a 3:2 match,
- c. 1 point for the loser of a 2:3 match,
- d. 0 points for the loser of a 0:3 or 1:3 match

In a "Home and Away" match, there is a tie between the 2 clubs when each club has the same number of allocated points. In case of a tie, the Golden Match procedure is used. The Golden Match will be started 10 minutes after the away match (2nd leg) is over.

The Golden Match consists of 3 games (sets) best of 3. The club winning 2 games (sets) is the winner.

The team captains chose for the Golden Match each 3 players who are according to the directives eligible to play and chose for each player the position 1, 2 and 3. The team captains have to provide their line up for the Golden Match to the Referee within 3 minutes after the regular away match (2nd leg) is over.

The order of play in a Golden Match shall be A1 v B1, A2 v B2, A3 v B3. The Golden Match is over once one club has won 2 games (sets).

SPECIAL NOTE:

At regular team matches, the match shall end when a team has won 3 singles even if the "winning club" is already decided before. Walk overs without proof of injury or illness by a medical doctor present at the match will be penalised. Apart from a financial fine, the club whose player(s) made walk over(s) without acceptance of a medical doctor will get 0 points for that team match.

Such a player substitution must be announced by the respective team captain to the Referee at the latest before the start of the third single.
